Dear POWSAF Members,

As we approach the historic 100-year anniversary of the Prince of Wales School in April 2025, we are excited to announce that POWSAF will participate in the funding of two transformative legacy projects that will shape the future of our beloved alma mater:

1. School Band Enhancement Program

- Purchase of new musical instruments
- Supporting the school's rich musical tradition

2. Multi-Sports Complex Development

- Design, construction, and commissioning of modern multi-sports facilities
- Creating lasting impact for future generations

POWSAF's Commitment

The POWSAF Trustees have each pledged a minimum donation of \$500 to kickstart the funding of these centenary projects. We have collected \$5,000 so far from the Trustees and with our target being at least \$10,000 in total, we invite all POWSAF members to join this historic initiative by contributing whatever amount they can afford.
