Our Mission

The Prince of Wales School Alumni Foundation (POWSAF) is a U.S.-based 501(c)(3) non-profit organization dedicated to supporting and enhancing the educational attainment of our alma mater. By raising and investing funds, we aim to provide sustainable financial support for projects that improve the school's infrastructure, resources, and overall learning environment.

Why Your Support Matters

Despite its rich history, the Prince of Wales School faces challenges that hinder its ability to provide quality education. Limited resources have affected teaching standards and the maintenance of facilities. Your generous contribution will help us:

- **Restore and Maintain Facilities:** Ensure students have a safe and conducive learning environment.
- **Enhance Educational Resources:** Provide up-to-date learning materials and tools.
- **Support Teacher Development:** Invest in training programs to empower educators.

How You Can Help

Every donation brings us closer to our goal of raising \$1,000,000 to secure the school's future. As of now, we've reached 12% of our target, but with your help, we can achieve much more.

Join Us in Making a Difference

Your support will preserve the Prince of Wales School's legacy and empower the next generation of leaders. Together, we can ensure that this esteemed institution continues to thrive and inspire.
