Notes to Editor

The Prince of Wales School Alumni Foundation (POWSAF) is a registered Internal Revenue Service 501(c)(3) Non-Profit Organization in the US and a registered Domestic Non-profit Corporation in the State of Georgia. It was formed after recognition by several alumni that the current fund-raising efforts could not sustain the school. The Foundation is organized exclusively for charitable and educational purposes to

1. To promote general interest of the school and solicit funds worldwide,
2. To maintain a perpetual fund with all income generated being used to contribute to continually repair and rehabilitate our school, and
3. To ensure the school's educational attainment is preserved in the future, long after we are gone.

The Trustees will manage the Foundation, invest all donated funds in consonance with wealth management institutions and professionally allocate the investment returns to school projects aligned with our charitable goals.
